

Gary E. Singer Named Prexy Of Pi Delta

Pi Delta Epsilon, National Honorary Journalism Fraternity, met Monday night to elect a new slate of officers and to complete plans for the Nov. 7 initiation of new members.

Officers for the 1954-55 year are Gary E. Singer, President; and Richard W. Handler, Vice-President. Both new officers are former SCRIBE editors, Handler heading the campus weekly in 1952-53 and Singer heading the staff in 1953-54. The offices of Secretary and Treasurer will be filled after the initiation.

Seven students have been invited to join Pi Delta; they are Mickey Vail, SCRIBE Editor; Samuel Marks, SCRIBE Business Manager; Louis Csizgy, SCRIBE News Editor; Bernie Frank, SCRIBE Advertising Manager; Howie Broder, former SCRIBE News Editor; Kenneth Hawman, SCRIBE Feature Staff; Wes Hobby, WNAB Announcer and SCRIBE Staff.

The honorary members from the Bridgeport community are Bill Whalen, News Editor, WICC-TV; Leigh Danenberg, Editor and Publisher of the Bridgeport Sunday Herald; James Fenner, Assistant Professor of Economics at UB.

Brahm To Speak At Convocation

Robert Brahm, Eastern Manager of Screen Guild Inc., television subsidiary of Columbia Pictures Corp., will speak at the Carlson Lecture Hall on "What Makes Television Tick" at a convocation to take place Monday at 8 P. M.

As a Lt. Commander in the Navy, Brahm served in both the Atlantic and Pacific Theatres of Operation. He served in Naval Intelligence and the Amphibious Forces, participating in major invasions, including the Marshalls, the Carolinas, Borneo, and the Philippine Islands.

In 1948 Brahm returned to his first love, television and produced and directed dramatic shows for the various networks. Some of the plays were "I Know Where I'm Going", "The Valiant" and Eugene O'Neill's "Long Voyage Home". As a pioneer, he was one of the first three men in film television when he joined United Artists as director of their Western Television Operation.

Later, he returned to New York to assume the duties of Vice President and General Manager of United Artists. He then took over a newly-formed television subsidiary of Columbia Pictures. After one year, Screen Gems now handles THE FORD THEATER, FATHER KNOWS BEST, THE BIG PLAY BACK, CAPTAIN MIDNIGHT, THE ADVENTURES OF RIN TIN TIN, and Top Plays of 1955.

Campus Thunder Tickets Go On Sale November 8

Hurry, Hurry, HURRY!! Step right up, folks! On Monday, Nov. 8, a special advance sale will take place at the University's Little Theater on Myrtle St. Tickets? Tickets for "Campus Thunder '55," of course, courtesy of Charles Rasmussen.

The genial gent, who is the business manager of "Thunder '55", has announced the special advance sale for two very big reasons:

(1) Although you probably have a full-time student activities ticket, enabling you to attend most anything here on campus, it will NOT admit you to the Klein Memorial on Nov. 19. You must exchange it for an actual reserved-seat ticket at the Klein Memorial for one of the three performances or (and this is where Mr. R. comes in) you can do it at the Little Theater and be safe instead of sorry.

(2) The other reason is that an ever-increasing demand is already existing and the annual "SRO" tag on the box office may come earlier this year than in any previous "Thunder" time. Naturally, once tickets are thrown to the general public, you won't be able to beg, borrow or steal.

So, a word to the wise is sufficient — Nov. 8 at the Little Theater on Myrtle St., here on campus. See you in line!

Tickets will be priced as follows:

Regular prices for Friday and Monday, Nov. 19 and 22 - Orchestra Front and Mezzanine, \$2.50; Orchestra Rear, \$2.00; Balcony, \$1.25. Saturday evening prices are: Orchestra Front and Mezzanine, \$3.60; Orchestra Rear, \$2.50; Balcony, \$2.00.

Students should remember that the student activities ticket is only equivalent to \$2.00. A \$2.50 seat will, in other words, cost you \$.50 more.

Bridgeporters Pauline Scinto, Lenore Biffeld and Alex Zavadsky will have feature roles in "Campus Thunder '55", as well as a lovely "lass" from the Hartford Area — "Iggy" Salone of the 1955 "Thunderettes" chorus line.

From varsity football to the high-kicking line behind "Fifi" Jawolsz is quite a change of scenery for "Iggy", voted this year as the "Best Substitute Fullback (with the worst sense of direction) on the Team" an honor once reserved for SCRIBE Managing Ed. Bob Mendes.

Quite a few other surprises will be in store for you at the

(continued on page 4)

Sociology Dinner Guests Hear Rev. Hansen's Speech

Continuing the tradition of ethnic dinners, the Sociology Colloquium of the University sponsored "Danish Night" at Our Saviors's Evangelical Lutheran Church, 512 East Washington Ave., Tuesday night.

The Reverend Viggo Hansen, pastor of the church, was the speaker and also Mr. Niels Nielsen, president of the church group. Slides of Denmark, a tour of the church, songs and modeling of native costumes were included in the night's festivities.

Members of the Sociology Colloquium who participated in the planning of the event include Linda Makela, president; Richard

Watt, program chairman; Harold Nevins and Herbert Steinberg, ticket committee; Evelyn McGee, Joan Bothwell, program and invitations; and Angelo Hinei, chairman of the welcoming committee. Dr. Joseph S. Roucek, chairman, professor of the department's political science and sociology, is faculty advisor to the university group.

Alumni Hall Directors Name Sherman Chief

by Gary E. Singer

The Alumni Hall Board of Directors, in their initial meeting of the Fall semester, last week elected Alphonse J. Sherman as Chairman of the Board and drew up a slate of new regulations for the student-subsidized Student Center building.

Varsity Time Auditions Set For Saturday

"Varsity Time" will soon invade the airwaves once again after a silence of almost six months. The University's weekly radio show, heard over WICC Radio Saturday's from 4:45-5 P. M., will resume upon the choice of an MC (or MC's) who shall be heard this Saturday morning at 11.

Bob Crane, program director of WICC, will be on hand to evaluate those who desire to audition. Experience is not a requisite, rather a high degree of interest in the radio field.

Featured each week will be the top three tunes on the University hit parade, determined by a campus poll, tabulated from the the nickles inserted in the juke box in Alumni Hall. On-the-spot interviews will also be heard, as well as interviews with campus personalities.

Those interested in trying out for the show should contact Vic Muniec, Public Relations Office, Cortright Hall, by noon tomorrow.

1955 Wistarian Will Be Largest In School History

"This year's yearbook promises to be the biggest ever in the history of the University of Bridgeport," said Myra Selde, editor of the new Wistarian. "Not only will the book contain more pages, but the pages themselves will be larger."

This edition, for the first time, will feature color and portrait photos of members of the graduation class. The theme of the book has not and will not be released before the publication date, and is expected to be ready for distribution to the student body on May 15.

The cover of this year's yearbook publication will be new, with a "Bohemian Artist" as design. The sports department will be headed by Dick Hermann. Numerous informal group pictures will be taken of the various organizations and societies on campus.

The money appropriated for this yearbook will exceed that of any other year. The publishers are Bradbury, Sayles and O'Neill of New York City.

In addition to Sherman, Gary E. Singer was elected Vice-Chairman, James W. Southouse was named Secretary and William Bevacqua took over the office of Financial Advisor. Besides the above, President James H. Halsey, Vice-President Henry Littlefield, Carl Huber, William Kennedy and Samuel Goldberg were in attendance.

The new rulings, placed in immediate effect, encompass the dining areas, decorum in the cafeteria, card playing and fraternity pledging.

The first floor and basement have been designated as the only eating areas in the building. The only exceptions to this rule are specially scheduled group luncheons and members of the faculty, who may use a specifically designated third floor room between the hours of 11:30 A. M. and 1 P. M. Eating and drinking in the second floor student lounge is prohibited for all.

To avoid an excessive volume of noise in the Snack Bar during "rush" hour and in an attempt to eliminate much of the unnecessary congestion, the Board voted to have the "juke box" disconnected between 11 A. M. and 1:30 P. M. During this period a program of classical and "dinner" music will be presented via the loud speaker system.

Card players have been relegated to the basement where extra tables will be provided. Playing will not be allowed anywhere else in the building.

Fraternity pledges will be welcome to perform in the Snack Bar providing they follow a "help" hour program, rather than the usual "hell" hour that has caused unnecessary confusion among students and the cafeteria help in the past.

The building's 1953-54 financial budget was presented by Dr. Littlefield and accepted the body. The 1954-55 tentative budget also met with approval of the members in attendance.

Orders For Class Rings

Orders for class rings will be taken from Nov. 1 to Nov. 19. A deposit of \$10 must be given with each order. UB rings are available to seniors only and inquiries should be directed to Dick Fresolone, Senior Class representative. Delivery will be made about March 15.

How To Get A Scholarship

Now that The SCRIBE has helped to increase the interest in the athletic policies of UB by pointing out the need for athletic scholarships to augment the "subscription" of athletes, we will turn to the constructive aspects of how to go about getting the money.

Since getting hold of money is always a problem for anyone, that should be the major point prohibiting the University from granting such scholarships.

We have what we feel may be the way to raise money and to see if the students are really interested in getting a top-notch team.

There are about 3000 students at the University of Bridgeport. If everyone of these students were to scrape up a dollar (one buck) for an athletic scholarship or scholarships, we could support a full team on one semester scholarships or two one-year scholarships, based on athletic ability, and singling out no one sport.

If the students each year were to donate one dollar each, we could get two one-year scholarships every year. These scholarships wouldn't be given to the same person each year, so that new students coming to UB could stand a chance and would see that the scholarships were intended for all.

If the University is given this money and still refuses to grant athletic scholarships, we should then forget about athletics and start building up UB as an educational institution for non-sports fans. We probably wouldn't be as well known then, but maybe that doesn't enter the minds of the policy makers.

By Bill Wright with Lou Csigay

WEAR YOUR OTHER FACE to the Theta Epsilon Masquerade Ball at Lenny's Wagon Wheel tomorrow nite. Sheila "Cleopatra" Haffner will emcee the program starring such UB personalities as Shorty Lacey, Dolores Ludka, Jean Baltrusaitis, Rosemarie Verrelli, Rose Sievers, Barbara Collins and Gerry Bennett.

Cute Fran Crystal and Bob Finegold are going steady around campus.

Theta Sigma pledges will be coming out in fine style Monday morning with their tuxedos, black Homburgs, and Canes. Setting the tasks will be Pledgemaster Joe Kenney.

Next week may prove to be the biggest pledge week in UB history. Beta Gamma will also have their pledgelines on show starting Nov. 1 under the direction of pledgemistresses Carolyn Pevetty and Jeannette Kahn.

Seaside Hall's Greta Savitt is now engaged to Dick Cirlin, who is serving with Uncle Sam.

Phi Omega Chi's Pledgemaster Bernie Milove will be making it tough for the POC pledges, starting tonight.

The girls of Milford Hall are enjoying their own brand-new

Admiral television set, which was donated by Bernice Kmeick's father. Their favorite program is the "Late, Late, Late, Late Show".

Omega Epsilon, the Dental Hygiene sorority, is planning a big dance to be held in the Winter Quarters of the Barnum Hotel on Nov. 13. Beer will be in order for D. H.'s and their dates.

Lista Lincoln will walk down the aisle today to change her name to Mrs. Warren Foster.

Alpha Gamma Phi has been unable to carry on the normal social load with ten men of the fraternity on the varsity football team.

Wearing a new fraternity pin on her sweater is Barbara Vanderbilt of Milford Hall. Her man is Johnny Bidwell, a pre-Dental student at University of Pennsylvania.

and Sue Napelbaum

HOW DO YOU FEEL ABOUT THE PRESENT ATHLETIC SCHOLARSHIP POLICY.

RALPH GIAMMATTEO, Sophomore — Phys. Ed. —

playing ball."

"If the sports program is to be built up, scholarships are the only answer. We need scholarships to attract the local talent. Without them, we might as well stop

BERNIE MILOVE, Junior — Business —

"The present policy is outdated to meet the needs of a growing school such as UB and a change in policy is necessary if we are to be successful in helping the growth of the school."

HAL TRISCHMAN, Senior — Pol. Science —

pete on the same level as any other university."

"I feel that in order to do anything, you have to do it right and in this matter the athletic policy set-up should be changed to one that would enable the University to compete on the same level as any other university."

DAVE BAR-COHEN, Sophomore — Pol. Science —

"I think that the Athletic scholarship Board has been completely negligent with its duties toward the University. Athletics is one of the most important parts of college life. We will never get "top-notch" athletes unless they are given full tuition, room and board scholarships."

Reaction To Council Decree

What is your reaction to the Student Council decision to withhold allocations of funds from minority organizations in order to place financial concentration on those groups which serve the majority of students?

I feel sorry that the minority groups were cut out, but I do feel that the "Big Three" should get more money because they serve the majority of students, and what is good for the majority should be good for the whole.

Ivan Schaffel, Soph.

It's a very bad thing, because small organizations cannot grow into big ones without financial support.

Ruth Nodland, Frosh.

I am all in favor of it because there is just not enough money to support all campus organizations.

Bill Bevacqua, Sr.

It's the only thing that could be done because the three major groups need twice as much money as they have been getting. Last year the students themselves voted down a proposed increase in the Activity Fee, and therefore they have no one to blame but themselves if they have any complaints. Instead of doling out the money in insignificant amounts it is better to put more money into larger groups so that they may benefit from it.

Howard Broder, Soph.

I think it's a very good idea, as there just are not sufficient funds coming in from the Student Activity Books to be able to afford to make allocations to all groups.

Jim Muller, Sr.

It's good because the larger organizations can help the others when they are strong enough.

Janet Katz, Frosh.

I suppose the action was necessary, but I hope that the Council will again be able to make grants to these smaller organizations in the near future.

Jim Ide, Frosh.

One of the main purposes of campus organizations is to facilitate student experience in the practical operation and solution of various organizational problems. The action taken by the Student Council in terminating financial allotments to minority groups will deprive the student majority of the opportunity to obtain this vital experience.

Elizabeth Chornyak, Soph.

Applications For TV Course Open

Applications are still being accepted for "Economics for Everybody," a weekly half-hour television course to be given by the University beginning Monday over WICC-TV (Channel 43), from 10 to 10:30 P. M. The eight week series will be re-broadcast over Radio WICC (600 K. C.) on Tuesday evenings at the same time until December 20.

Sponsored by the Calvin K. Kazanjian Economics Foundation, Inc., of Westport, this community service in adult education is designed to explain to men from all walks of life the fundamentals of how our economic system operates.

The course will not carry college credit, but a course certificate will be given to participants who establish that they have listened to six or more presentations.

Formal enrollment in the course, for a fee of \$2.00, will entitle the "student" to: 1. A 96 page booklet, "The American Economic System" which will be used as the text for the course; 2. A family budget book which is helpful in keeping expenses in line with income; 3. A set of stamped addressed post card forms which will be used for questions to establish participation in the program.

Dr. Hans Apel, chairman of the department of economics at the University will conduct the TV program.

Dear Editor

Laurels and congratulations on having the courage and power of your conviction in not only thinking but putting into print the sentiments of the student body. Where else but in the SCRIBE can the voice of the student body be heard without fear of retribution from the Administration.

Yolanda Delmore

Orchids to our SCRIBE editor for his article of last week. As a local student I have been able to see the available football material in the high schools in this area. Why are these potential players not playing for the University of Bridgeport? The answer lies in the fact that they can get a better deal elsewhere.

Ariene Crothers

It's about time the SCRIBE got on the ball and put the blame where it is due. I don't feel that a winless football season is the worst thing that could happen. A player could be injured to the extent that he would remain crippled for life, or someone on the UB team could lose a life. It's been known to happen before when players are used so much and take such a beating.

Congratulations. You may have saved a life or kept one in one piece.

Dick Handler,
Editor, 1952-53

I thought it was a wonderful column; the student body is behind you, I hope it gets results.

Dave Deep

I would like you to know that a great majority of students at UB will wholeheartedly support this drive to promote the introduction of athletic scholarships on campus.

Richard Cipriani

We, of the Student Spirit Committee, would like to commend you for your fine work. This subject has been a problem for a long time and we are glad to see that some positive action has been taken at last. Spirit at this school is good, but in many instances action has been blocked due to some rather ridiculous and immature regulations.

James H. Muller

Chairman,
Student Spirit Com.

I just felt I had to write and let you know that as a graduate and former football player for four years at UB, I agree with every word of your column.

Arnold J. Epstein

The Editorial Staff of the SCRIBE wishes to extend its thanks to the Student Body in its overwhelming response to the athletic scholarship issue that appeared in last week's SCRIBE.

We have been greatly encouraged by your letters and personal comments and hope that you will continue to frankly express yourselves, be your expressions favorable or otherwise.

Blood Council Meets

The UB Blood Bank Committee will hold its inaugural meeting in the Alumni Hall Conference Room Tuesday. Any student wishing to work with this committee is urged to attend this meeting.

You're Dick Cipriani, and you don't give up. The team you play for hasn't won a game this year but you keep on trying. You've seen your friends and roommates hurt, and hurt badly, but you haven't given up.

At Arnold College, where you first matriculated, a decent football player got a fair shake. True, they pulled some off-color tricks with some of the students they let in, but those students have been weeded out here.

You have been playing football all your life and never once have you given up. Not every team you played on was a winner but it feels good to win. Even so, win or lose, you never give up.

They expect wonders from their athletes at this school. Not only do they have to be athletes, but scholars and maintenance men as well. The half work, half tuition scholarships they give out do help, but playing football and putting in 180 hours a semester makes it awful hard to study.

Someday they'll realize it, but until then, you have to keep trying the way it is now. It just isn't right and you know it, the team knows it, and those who count, know it, but you're Dick Cipriani, and you don't give up.

ED. NOTE:: This column should not be taken as a press release on Dick Cipriani but rather as a use of his name to summarize the University's football team.

Trumbull Hall will be sitting in the catbird seat this afternoon, with knowledge of the fact that either Sigma Phi Alpha or the Passing Parks will all but be out of the running when the sun goes down.

This afternoon's battle will put SPA, led by Pitchin' Dick Gianesello against the Parks who will counter with the passing arm of Harry Peters.

The only blemish on the Parks' record consists of a 6-0 loss at the hands of the strong Trumbull Hall aggregation. The tie on the standing of SPA is due to a tightly fought scoreless battle against an inspired Theta Sigma team.

Standings as of Oct. 21, 1954:

The Gang At The SEAWALL Says

WE'RE GOING TO THE
TE DANCE AS
A ? ? ? ?

Judges Saturday Gridders To Meet

by Larry Babich

Moving into the second half of their schedule, the Purple Knights will face Brandeis University, Saturday afternoon at Waltham, Mass. The teams will be squaring off for the third time, with the Bay State school holding a 2-0 edge in the rivalry.

The Blue and White Judges, coached by Benny Friedman, feature a powerful "T" formation attack, headed by the passing combination of Tom Egan and Bill McKenna. The 1954 Judges will be facing the Knights without Little All-American fullback Sid Goldfader and tackle John Morelli, both of whom were lost through graduation.

Bridgeport suffered its fifth straight defeat last Saturday, taking a 60-0 drubbing from American International College.

Brandeis carries a 2-2 record into Saturday's clash, having defeated Springfield 27-7 and Bates 20-0. They have lost 38-0 to Boston University and 20-6 to New Hampshire.

The injury riddled Knights will be without the services of center Dave Deep, guard Lenny Pirro, and end Ray Glatkowski, all of whom have been lost for the season. Bob Mendes, who dislocated his elbow and Don Ardito, whose ankle is still acting up, are doubtful starters.

Walt Kondratovich will bring his charges back to Candlelite Stadium to meet New Britain Teachers next Saturday and finish the season with home clashes against Wilkes College and Quonset Point N. A. S.

"Kay" will once again go with his make-shift lineup of Roland Emery at quarterback, Dick Fresolone and Joe Marrucco at halfbacks and Johnny Esposito at fullback.

Eddie "General Lee" Hall and Maurice "Mac" MacAllister, who saw considerable action in the AIC clash, also have good shots for starting halfback posts.

The line will see Dick Cipriani and Hans Schneider at the wings, George Stropparo and Hal Trishman at tackles, Fred and Joe DiDomenico at guards and either Ed Shumofsky or Mendes at center.

Hoop Sked Released

The University basketball team will play 22 games this season, including a first appearance in the Boston Garden, according to the schedule announced by Herbert E. Glines, director of athletics and head basketball coach.

The schedule:
Dec. 1, Alumni; 3, Manhattan, away; 9, Rider, away; 14, Yeshiva; 17, New York Athletic Club, away; 18, Brooklyn Poly, away.
Jan. 7, New Britain; 12, Fairfield, away; 14, Plymouth; 15, New Haven; 19, Hillyer; 27, American International, away; 28, Stonehill, away; 29, Quonset Point, away.

Feb. 2, St. Anselm's (Boston Garden); 7, Adelphi; 10, CCNY; 12, Fairleigh Dickinson; 16, Iona; 19, New Haven, away; 23, New Britain, away; 26, Fairfield.

Booters Defeat Hillyer To Tie School Record

by Dick Johnson

Ralph Carbones' goal late in the fourth quarter gave John McKeon's soccer team a 4-3 victor over Hillyer College Tuesday, to tie one school record and break another.

By winning their fourth game of the year and third straight, the Knights tied the mark of most wins in a season, set last year, and established the longest winning streak in the team's history at the school.

Mike Belmont notched two tallies and Bob Stevenson got the first goal of his collegiate career in the Hillyer clash.

Belmont Gets Hat Trick

Belmont, the highest scorer in Bridgeport history, turned in the hat trick of three tallies in one game for the second time this year and the fifth in his short career at this school in the Knight's 3-0 victory over New Bedford Textile Institute last Saturday. He now needs just three more goals to equal the record of 13, which he set last year.

Jimmy "Mouse" Davins, in turning in his first shutout, once again drew praise from authoritative sources, one official commenting that the tag of "million dollar hands" certainly fit the Knight's goaltender.

After battling to a 0-0 tie at halftime, the Knights broke through the New Bedford defense twice within five minutes in the third canto as Belmont took passes from Gordie Cochran and Nick D'Aulio to get the ball past the NBTI netkeeper.

McKeon Satisfied

McKeon, not quite satisfied with last week's 7-2 victory over Brandeis, was more than happy with Saturday's win, remarking that "the boys really looked sharp out there and I only hope they can keep that edge for the rest of the season."

Belmont & Co. will travel to Garden City, L. I. Saturday to meet Adelphi College and then return to Seaside Park to face Long Island University Nov. 6.

NON-COMPOS

MENDES

by Bob Mendes

For one week let us be serious. . . .

In a previous column, (October 7), we did a little good natured moaning about a certain run down bus that our football team had to endure. Right now we don't feel too good natured. . . . We're good and annoyed with the way things are going on the UB athletic scene. . . . DOWNHILL!!

In 1952 the football team was hard put some Saturdays to put 11 men on the field. Their record for the season was two wins and seven losses. Students at the time thought that was a dead low. The next year (last year) things seemed to be on the upgrade. This, we know now, was false optimism, due only to the influx of athletes involved in the Arnold merger. Last year's record was 4-4. With just two fair breaks it would have been 6-2. Now some of these ballplayers have graduated. Those that are left are putting out with everything they have to finish the season with, at least, a respectable record. They've got four LONG weeks to go yet.

We know the background of the coaches. Coach Kondratovich played ball under Frank Leahy at Notre Dame and Lou Little at Columbia. . . . two of the best in the business. Lou Little saw fit to have Kondratovich stay with him at Columbia as a back-field coach for a number of years. Coach Sherman, while in the service, coached an undefeated championship team at Treasure Island Naval Base. OUR COACHES KNOW THEIR BUSINESS!!

The team, to date hasn't won a game. The team, at the moment, is literally crippled. The team has suffered injury after injury. . . . key players and substitutes, (of which there are appallingly few left). Within those parentheses lies the crux of our appeal. It's all very well to go out and, "Do or die for dear old UB", but this can be carried to just such a degree. After a while it becomes ridiculous. Let's be realistic about this matter. . . . The way college athletics throughout the country are run at present a team that is not bolstered by scholarship ballplayers can't get very far. Every team the

Purple Knights face represents a school that grants athletic scholarships, except New Haven and New Britain, where there is no tuition.

How any person can say that the team doesn't care whether it wins or not is beyond us. We have been on the field when injured players have refused to leave the game because they knew there were no capable replacement for them. We have been in a huddle where a player was so mad at himself that he was near tears. We have seen demonstrations of courage that would humble many other football teams. . . . SCHOLARSHIP OR NOT, but you can't win football games on courage alone! There has to be replacements in a football game. The only way to get replacements is to induce them to come to the University of Bridgeport through financial assistance. We are not advocating the buying of players. That is the last thing we want to see happen, but we feel that athletic scholarships are a very necessary part of a well rounded university.

We enjoy a very high scholastic rating here at UB. It is necessary to pass a difficult entrance examination to be admitted to the university. WE DO NOT WANT THESE REQUIREMENTS LOWERED ONE BIT! We do, however, feel that if a boy can fill the requirements of the university and if he is good enough to make one of the University's teams he deserves whatever financial help the university can give him. This is not being done!

If we want to be recognized to any degree at all in the field of athletics we MUST grant athletic scholarships. We cannot continue playing scholarship teams while we just rely on "the love of the game" that our team has to have.

If UB just could have gotten a small number of local high school stars that wanted to come here, but received attractive offers elsewhere, the teams would have been bolstered immeasurably. This however, was not the case, but we hope that in the near future things will change here.

UB can field teams just as good and better than our opponents if just given a chance. We hope that in the very near future our teams get that chance.

Bodine Portrait To Be Unveiled

Alfred Van Sant Bodine, President of the Bodine Corp. and chairman of the University's board of trustees will be signally honored by the University at unveiling ceremonies of his portrait at Fones Hall Sunday, at 4 P. M. Previously so honored have been former chairmen of the board of trustees, H. Almon Chaffee, President James H. Halsey and President Emeritus E. Everett Cortright.

The portrait is being presented by the University in recognition of his leadership in education, service to the local institution and contribution to community betterment and industry. The painting, by artist Frederick Roscher, will be hung in the University library.

Thunder Tix On Sale

(continued from page 1)

Klein Memorial Auditorium on Nov. 19. Gary Singer, the jovial juvenile of many campus trades and titles, will be seen as a singing sailor (Huh?) in a featured solo number; competing with the fabulous "Thunderettes" and their show-stopping "Falling Leaves" bit. See you at the Klein on Nov. 19.

Minos Tsohadjopoulos: Greece's Gift To SCRIBE

by Myra Seide

It's a rare occasion when a story walks right into your office. It's almost unbelievable that a story walks in and demands to know if he can help you find one.

The "find's" name is Minos Tsohadjopoulos, a Biology major in the College of Arts and Science, who hails from Macedonia, Greece. Now living in Trumbull Hall, Minos has been in the United States for 38 days.

Minos likes newspaper work, and he'd like to work on the editorial staff of the SCRIBE. He was a member of the American College Antiole of Selonico newspaper staff, where he attended high school in Greece. Here he learns the English language, and was taught Biology and Music in English.

"I've always dreamed of a college like this," Minos told this reporter. "The faculty and the boys and girls are very friendly, and the buildings are wonderful. I haven't found too much trouble here. . . . I just don't understand slang too well yet."

Minos reports he can't get used to the behavior on the part of the female portion of UB. Girls in Greece aren't as friendly to the boys, and they don't like Bermuda shorts.

Biology, Mathematics, Chemistry and English are on Minos' curriculum. He's very fond of Biology and says English is running a close second.

Nicknamed "Max", he is the youngest boy ever to leave Greece to study at a foreign University. He was 17 years old last May.

Green-eyed Carolyn Brennan, who hails from Waterbury, Conn., is our choice for this week's Campus Cutie. Carolyn, an 18-year old freshman, is a Dental Hygiene major and lives in Southport Hall.

Results of Chest X-Rays

Chest X-rays have been returned to the Student Health Service. All students who had X-rays taken at Registration and who have NOT received a card from the Student Tuberculosis Health Service have taken negative X-rays.
